

Ending Relationship Abuse across Staffordshire and Stoke-on-Trent

Domestic Abuse
Victim services

What help is available?

New Era provides a series of **specialist** and **confidential** services to support those affected by domestic abuse.

New Era victim services will help people to manage their safety, understand the impact and effects of the abuse on them and their families, and empower them to live free from abuse.

Victims can access New Era services directly to receive individual and group work-based support.
