

# FUNDRAISING

To help victims of crime

## **Who are we?**

**Victim Support (VS) is the leading independent victims' charity in England and Wales for people affected by crime and traumatic incidents.**

Last year we offered support to nearly a million victims of crime. Victims whose lives had, in many cases, been torn apart by the crime they had experienced.

We provide victims and witnesses with the specialist practical and emotional support they need to gain control, find their confidence and help them move beyond crime.

Your support means we can:

- Provide 24/7 telephone and online support to victims of crime
- Help children and young people rebuild their lives
- Train staff and volunteers to provide specialist practical and emotional support
- Help victims to move on with their lives, beyond crime.

## **Become a fundraising volunteer**

Whether you enjoy putting on fundraising events, championing us in your local community or helping in our local office, we would love to hear from you. Please contact us.

Trevor and Sheila started fundraising when they lost their teenage daughter through domestic violence.

**“Fundraising for VS is a really rewarding experience, though emotional at times. To date we have raised over £60,000 which has helped others receive counselling after losing a loved one to crime.”**
